AMENDMENTS TO APPEAL BRIEF

Please make the following amendments section III Status of Claims, in the appeal brief filed October 23, 2008:

III. Status of Claims

Claims 1-8, 41-46, 51, and 66-82 stand rejected, are the subject of the present appeal, and are set forth in the Appendix to this appeal brief. Claims 9-40, 47-50, and 52-65 are canceled.

REMARKS

The Notice stated that the appeal brief for the above referenced application did not give the status of all claims in the application, and that the canceled claims should be included. In response, the appellants have amended section III, Status of Claims, to explicitly identify and state the status of the canceled claims. As the Notice stated that only a new copy of the defective section was required, and that a new copy of the appeal brief was not required, a new copy of the appeal brief is not provided. A clean copy of the amended section is set forth on the following page.

In light of the amendments made herein, it is respectfully submitted that the informalities noted in the Notice have been remedied.
